Dear compatriots, friends,

I cordially greet you all again from our California Velehrad. You are getting a Vestnik for the next two months. The reason is that I should travel to Canada at the end of July. **Information on Holy Masses can be found on page 2.** God willing, we will meet in July and then again in September. Please follow the latest news on our mission's website: www.czechchurch.org.

The months of July and August are again very rich in church celebrations and holidays. All holidays are listed on the calendar in the middle of this issue, which due to the limited space, doesn't show every day as it usually does.

I would like to thank everyone who responded to our survey on sending the Vestnik electronically or by regular mail. Also, thank

you very much to everyone who participated in the preparation and organization of the picnic on Father's Day. Special thanks go to Mrs. Dana L., our excellent cook and everyone who attended the picnic. Last but not least, I'd like to thank all donors and benefactors of our mission for all the financial donations and support.

I wish you all a beautiful July and August. If you are going on vacation, travel safely, relax your body and soul, and a happy return home. I am very much looking forward, if God will, to all other personal meetings with you in individual cities or here in Velehrad. God protect us, strengthen us, and bless us!

Yours Fr.Libor

THANKS:

With the arrival of Father Libor, Bishop Esterka resorted to a well-deserved retirement. It's been many years since we first picked Bishop from the airport after arriving from Minnesota. It was sometime around Christmas, so he arrived packed because of the hard winter in Minnesota. Santa Ana ruled here, so exactly the opposite. "You have it nice here," he said, and we didn't realize that he would commute to our sun more and more often until he stayed here permanently. Since then, he has faithfully cared for us to grow spiritually and not suffer. We are all very grateful to him for this and

we wish him and ask for much of God's blessing, health, and contentment for the next chapter of life. We also thank and are grateful to Joan Timmerman for her dedicated service to our compatriot mission and especially for the selfless care of the bishop. Thanks to their relentless tireless work for several decades, our mission was ensured by uninterrupted, constant running in the right direction. Many

thanks again to both of them and we look forward to seeing you at our mission meetings. On behalf of our community in California
Marie Peterková
